Four members of the university ballet theater pose in one of the scenes from "La Cendrillon," the ballet to be presented tonight at the University theater. Shown from left to right are Allison Howard, Paula Heidelman, Henry Meier, and Carol Peterson.

Triple-Header by Music School Featured Tonight at U-Theater

"Triple Feature Evening," including a ballet, an opera, and selections by the Jubileers, will be presented by the music school at 8:15 tonight at the University theater. Admission will be \$1 for adults and 50 cents for students. The Jubileers, under the direction of Prof. Lloyd Oakland, will present selections from their recent tour of northwest Montana. During their tour, they gave 10 performances at various Montana towns including a special show in the Great Falls Civic Center.

The opening number of the Jubileers will be a contemporary composition, "A Jubilant Song" which will feature Kay Mueller, pianist, accompanist, and Berta Huebl, Glendive, soprano.

Another special feature of the Jubileers will be the men's quartet, Four Jacks and a Jill, composed of Pat Fox, Hardin; Bob Thornton, Lewistown; Jim Beadle and Larry Nitz, Red Lodge, and Miss Mueller, accompanist. Both the Jubileers and the quartet will feature vocal arrangements by Don Hardisty, Butte.

Special lighting features will be supplied by Jerry Wolfard, Scoey, and the choreography will be arranged by Jim Gemmell, Missoula.

The Medium
"The Medium," by Gian-Carlo Menotti, is a contemporary opera-lyric in two acts. It is directed by Prof. John Lester of the music school and Abe Wollock, instructor in the drama department.

The cast for "The Medium" will include Ruth Palmer Martin, Mis-

soula, as Baba, the medium; Berta Huebl, Glendive, as Monica, her daughter; Bill Nye, Missoula, as Toby, a mute; Shirley Blackwell, Butte, as Mrs. Gobineau; Ed Focher, Ballantine, as Gobineau; and Colleen Baker, Beach, N.D., as Mrs. Nolan.

"The Medium," a product of the opera workshop, was a complete sell-out every night when it was presented last summer at Simpkins Little Theater.

La Cendrillon
"La Cendrillon," the first ballet to be presented by MSU students, was written and directed by Marjorie Cooper, the Ballet theater's director. It will be danced to Bizet's "Symphony in C" which will be played by the MSU Symphonette under the direction of Don Hardisty.

The cast will consist of 30 university students, and the principal dancers will be Bettina Stohr, Missoula; Gordon Rognlien Jr., Kalispell; Allison Howard, Missoula, and Al Esta, Seattle.

The story of "La Cendrillon" is concerned with a ballet rehearsal. At one practice the prima ballerina walks out on the performance in a fit of temperament. An unknown from the corps is discovered to take her place and becomes a famous ballerina herself.

The proceeds of "Triple Feature Evening" will be used to send the opera workshop to Eugene, Ore., where they will sing April 16 for the Northwest Convention of the Music Educators national conference.

Linnell, Dickey, to Head IFC; Greek Aber Day Discussed

Wayne Linnell, Sunburst, was elected president of Interfraternity Council at its bi-monthly meeting last Thursday night. He is a member of the Phi Sigma Kappa fraternity.

Other officers elected were Raynor Dickey, Harlowton, vice-president; James Roberts, Dillon, secretary; and Ralph Rundle, Chicago, Ill., treasurer. All three are Theta Chi's.

Plans for Interscholastic Week, including decoration of the different houses and dances during the week were discussed by the group. The council tentatively planned to sponsor a street dance

with the Panhellenic Council. The theme will be the "Gerald Jump." April 23 was the tentative date set for the community project in which all Greeks will take part. More about this project will be discussed at the next meeting.

A Greek Aber Day was discussed and a committee headed by Jack Driscoll, Sigma Chi, Ogden, Utah, was set up. Other members of the committee include Don Swedfeger, Sigma Nu, Ft. Benton, in charge of entertainment and Jerry Bowlin, Phi Delta Theta, Great Falls, who is in charge of the food for the event. No definite date was set by the council.

Coordinating Committee Names E. H. Pottle Director of All Student Activity Facilities

E. H. Pottle, 36, Missoula, has been named director of student activity facilities, according to a release from the president's office today.

Pottle was selected for the post by the co-ordinating committee of faculty and students. His selection resulted after Central board adopted a resolution on April 7 for transmission to Pres. Carl McFarland, favoring "immediate adoption of the plan calling for a

director of student activity facilities."

For about a year Central board has been urging the appointment of a director, or co-ordinator, of student activities. Pottle's duties will include working with the students in their activity program as well as serving as an executive, maintaining student records and managing student activity facilities.

His office will be in the student activity headquarters in the Lodge. His first duties include the program of furnishing the Lodge.

New Jersey Native
A native of Glen Ridge, N.J., Pottle graduated from Bowdoin college, Brunswick, Me., in 1941. He was editor of the college paper, publisher of the college humor magazine, and played varsity basketball. He was a member of Delta Upsilon fraternity.

After graduation, Pottle served in the Navy, commanding an LST in the Mediterranean and a patrol boat in the Caribbean, attended an FBI school, served as an intelligence agent, and taught naval customs and procedures at a naval defense school. He was released from the service in 1945 with the rank of lieutenant commander.

Doubleday Executive
The same year Pottle became an executive with Doubleday & Company, book publishers in New York City. He served successively as assistant production manager, assistant sales manager, sales manager, and finally business manager. He left Doubleday in December, 1954, to move to Missoula where he has been employed as public service assistant at the Field House.

Pottle is married and has four children.

Montana Prepared For Distribution of Anti-Uolio Vaccine

By the United Press
Salk anti-polio vaccine is ready in Montana if today's report by Dr. Thomas Francis is favorable and the vaccine is licensed.

The national foundation for infantile paralysis will airmail supplies of the free Salk vaccine to the board of health as soon as the federal government gives the go ahead with a license.

In addition to the free supplies to be distributed by the state, commercial drug outlets are scheduled to receive the vaccine simultaneously.

The Supreme Court has . . .
...opened its hearing on how and when the states must end racial segregation in schools. Attorney general Joseph Craven of Delaware urged gradual integration, with no final target date.

General Motors says . . .
...it has started negotiations with the CIO United Auto Workers with an "open mind" on the guaranteed annual wage and other demands of the union. A top executive of the Ford Motor Company, chairman Ernest R. Breech, has hinted that the firm is prepared to fight the union demands for a guaranteed annual wage.

The guaranteed annual wage is the key issue in the auto workers' current contract talks.

Today's Meetings

Royaleers will meet in the Yellowstone room, 7 p.m.

AWS will meet in committee room 3, 4 p.m.

Bear Paws will meet in conference room 1, 7 p.m.

Mu Phi Epsilon will meet in conference room 2, noon.

Arnold Air society will meet in conference rooms 2 and 3, 7 p.m.

Venture will meet in conference room 3, noon.

Panhellenic will meet at the KKG house, 4 p.m., Wednesday.

No Newman club meeting today.

Liberal Arts Club Will Have Pre-Faulkner Program Today

The Liberal Arts club has arranged a pre-Faulkner program for their meeting today at 4 p.m. in LA 104 as a preview for next Monday, April 18, when William Faulkner, winner of the Nobel Prize for literature in 1949 and the Publishers' Award for the best novel in 1954, will speak in the University Theater.

Taking part in the program, which will be in the form of a symposium discussion, are Dr. Leslie Fiedler, chairman of the English department, and John Moore and Walter Van Tilburg Clark, associate professors of English. They plan to discuss Faulkner's style of writing, the importance of his work, and his position in American literature.

"We are hoping for some audience participation on some of the

material we present," said Fiedler.

"The Fable" won Faulkner the 1954 Publishers' Award. He has also received the National Gold Medal Book Award for his "Collected Short Stories."

According to Fiedler, it is unlikely that Faulkner will ever appear in this part of the country again.

"Mr. Faulkner is a writer who seldom makes public appearance," said Fiedler, "and this opportunity to hear him is a special privilege for the people of western Montana."

Coffee will be served after his talk, giving those interested a chance to talk to him informally. It is also hoped that he will be able to meet with some of the students engaged in creative writing.

Prices for Faulkner's talk are 25 cents for students and 50 cents for faculty. It will be given at 8:15 p.m., Monday, in the University theater.

Second-Half Rally Nets Jumbolaya Basketball Crown

By JOE CROSS
Jumbolaya poured on the heat in the second half to beat Sigma Chi, 48-39, last night and win their first intramural basketball championship.

Trailing by three points at the half, Jumbolaya racked up 19 points in the third period to take a lead they never relinquished. SX matched Jumbolaya from the field, each team getting 15 field goals, but were outthit from the foul line, 18 to 9.

Sigma Chi's Leroy Thomas was the top scorer with 18 points. Bob McGihon led the champions with 11.

Sigma Chi beat defending champion Sigma Nu, 26-22, last Friday to earn their berth in last night's final game. Jumbolaya finished their season with only one defeat, an early season loss to Sigma Nu.

The win gives Jumbolaya the (Continued on page three)

LITTLE MAN ON CAMPUS BY DICK BIBLER

Individuals Are a Top Issue But Sometimes It's Forgotten

Has spring sprung leaving you with that "Oh what the heck, this school can get along without me" feeling?

Well, sit back and relax for this editorial isn't going to take sides on important campus issues or give you behind-the-scene facts on some current project. The Honor System, new buildings, athletic department, Independents and Greeks, road conditions, semester system, Bertha, Central Board, and the Bobcats are going to take a back seat today for a subject little known, hardly ever heard about, yet more vital to the survival of MSU than anything else—you. Don't be startled, this isn't a misprint—I'm talking about you, the ordinary student.

Ike Is Like a University . . .

Eisenhower, like all presidents, was elected by millions of people whom the government knows only by social security numbers or income tax returns. Yet, without the support of their single votes combined, he couldn't have won the petition. And so it is with a university; the simple act of your attendance keeps it running. It could exist without athletics, without Central Board, semester systems, frats, sororities, and clubs, but it couldn't exist without you.

The fact that many of you participate in different club activities, work on committees, and run for office, only aids in the more efficient organization of what already controls any university—its students.

. . . They Both Depend on Individuals

Two days ago on Easter Sunday we were reminded of a man whose life and deeds have lived for over 2,000 years—lived on because of the unsung millions who believe in Him and pass on His word—so MSU lives on, guided by a few leaders, but supported by, and dependent upon the ordinary student.

Joan Hoff, Feature Editor

THE MONTANA KAIMIN

Steam Valve . . .

Dear Mr. Forman,

In your recent editorial, "Is this Student Government?" I was very annoyed at the implications you drew from the short quotations. I am personally concerned because I was quoted as saying "We don't want to step on anybody's toes." My remark was that Central board should consult the president before telling him how the faculty adviser to Central board will be selected, to ask any suggestions he might have. By doing this we might avoid stepping on some toes. From this suggestion President McFarland was briefly consulted and the suggestion offered was incorporated in the proposed amendment which was passed unanimously by Central board.

Your editorial calls this "the negative attitude." May I assume that the Kaimin Editor is for the

positive attitude and thus the opposite, "We want to step on everybody's toes?" A statement like this would be just as unfair as the one you saw clear to publish. I don't think anyone would like an excerpt of his remark published to fit some editor's "red hot" editorial. Therefore, I believe my complaint is justified.

As far as the statement by George Lambros, referring to class officers: "They don't do any harm so we might as well keep them," is also quoting out of context. Lambros stated that this was an

idea he had once had, but voted for the amendment to do away with most of the class officers.

I suggest you direct your editorials toward the real problem if there is one and use true statements to illustrate your points.

Second Grid Assistant Named, Will Work With Grizzly Line

Appointment of Robert Zimny, 33, a line coach at Washburn, university as a second assistant coach was announced last Friday by head coach Williams.

Williams said Zimny would work with recently-selected Fred Tz in molding a Grizzly line. Zimny will work with tackles and while Naumetz will concentrate on centers and line.

Zimny was outstanding in college and professional football. Williams said. "He is a high type individual, and the kind of man you like to work with young college players."

Zimny was line coach at Washburn, produced lines that bolstered his team to two successive Intercollegiate conference championships. The Washburn team was ranked among the small colleges in the nation last year.

Zimny played under Bo McCarty at Indiana in the early 1940s. He then entered the service for three years, and went into professional football after the war. He played for the Chicago Cardinals from 1946 to 1951, returning to Montana during the winters to continue his education.

Zimny was graduated from Indiana in 1951 and moved to Washburn.

Williams said yesterday he expects Zimny to arrive in Missoula Thursday, thus completing the Grizzlies' spring football staff. Zimny's football is slated to start in May.

Zimny will work with young college players from his line coaching.

Zimny has had experience in supervision of student work programs, in counselling athletes, teaching physical education classes, and assisting in track coaching.

Grizzly athletic director Jiggs Dahlberg said yesterday he would not assign the four minor coaching vacancies in the athletic department until all new coaches have been hired.

However, Dahlberg did indicate that Zimny would take over the student work program in the P.E. department.

GOLF, TENNIS TEAMS TO PLAY UTAH RIVALS THIS WEEK

Grizzly golf and tennis teams left yesterday for three matches in Utah this week.

The Grizzly netmen and golfers meet Utah this afternoon in Salt Lake City. Then they will travel to Provo for matches with BYU on Thursday. Friday, they will play Utah State at Logan.

The tennis squad includes coach-captain Jim Ryan, Dick Crist, Stu Gallagher, Jim Kelly, John Powell, and Jim Andrews.

Golfers making the trip include coach Dr. Don Barnett, captain Don Welch, Jim Jackson, Bob Riefflin, and Dave Burton.

GRIZZLIES URGED TO PICK UP TERMINOLOGY PAPERS NOW

All football players who are planning to participate in spring football drills and who have not yet picked up their terminology papers are requested, by Coach Jerry Williams, to do so immediately. The papers are available in Williams' office.

Biehl Twirls Two-Hitter for Lone MSU Win

A masterful two-hitter pitched by Grizzly Glenn Biehl prevented Montana from losing three baseball games in Utah last weekend.

Biehl scored a nine-inning, 3-2 victory Friday in the second game of a doubleheader against Brigham Young University at Provo.

BYU won the first game, 13-7. Saturday the Grizzlies dropped a single game to powerful Utah, 16-2.

A three-run homer by catcher Jerry Walker gave Montana its victory over the Cougars. Walker's homer came in the first inning.

BYU tallied a single run in the first. From there, Biehl and Lynn Jones settled down to a classic pitchers' duel. Neither team scored for seven innings.

The Cougars tallied their final run in the ninth after Biehl had been struck in the stomach by a thrown ball from an umpire. Montana called a 10-minute rest, and Biehl continued on the mound.

Montana 300 000 000—3 4 5
BYU 100 000 001—2 2 0
Biehl and Walker; Jones and Pratley.

Montana was only out 10-7 in the first game against BYU, but the Grizzlies committed five errors to help the Cougars to a 13-7 victory.

Dave Lewis highlighted Brigham Young's attack with a four-run homer in the second inning.

Montana 102 100 3—7 7 5
BYU 143 122 x—13 10 3
Caine and Walker; Williams and Jenkins.

In Montana's first game with the University of Utah at Salt Lake Saturday, the powerful Utes combed the combined offerings of pitchers Pete Muri and Lefty Berezay for a total of 11 hits and 16 runs. The Grizzlies aided the Redskin cause with six timely errors.

Both Montana runs came in the third inning when second baseman Hal Winterholler smashed a bases-loaded double. Veteran Utah catcher Dave Germann spearheaded the Redskin assault with a home run, a double, and a single in five trips at bat. Pitcher Jim Dokos limited the Grizzlies to six hits while fanning 16 for the win.
Montana 002 000 000—2 6 6
Utah 041 310 61x—16 11 2
Muri, Berezay and Walker, Bofto; Dokos and Germann.

Excavations Completed For Library Addition

Preliminary excavations have been completed for the new addition to the library.

Paul Swallow, Pew Construction company's foreman, said, "It was the meanest hole I have ever dug. We ran into every utility line imaginable, from a 3,300 volt electric line to an eight-inch water pipe."

Forms are now being placed for the footings that will support the first level columns. The columns will be poured in a new type form. The forms are made of paper and resemble large cardboard tubes. Reinforcing steel is inserted in the forms and the cement is then poured.

In construction of the new addition, 160 tons of steel will be used.

Drop MSC Meet; MSU, Idaho State Meet Here April 23

Track coach Harry Adams announced yesterday that this weekend's scheduled meet with Montana State college has been cancelled due to a three-foot blanket of snow on the MSC field.

Adams said that a dual meet with Idaho State college has been scheduled at Dornblaser Field on April 23. This meet will be held in conjunction with the Missoula-Great Falls high school clash.

Adams said he "would welcome an extra week of practice before meeting Idaho State, which is a stronger team than MSC."

"And I hope that Don Brant will be ready to go by then," he added. Brant pulled a leg muscle last week in practice, and the speedy track captain was not scheduled to compete against Bozeman.

Adams said he would have an intrasquad meet this Saturday.

BF Considers Loan Fund, Plastic Cards

Two projects which could bring about considerable changes for students were discussed at the recent Budget and Finance meeting.

First of these is a new loan fund for students, proposed by Herbert J. Wunderlich, dean of students. Advantages of the fund include convenience for borrowers, and the fact that it would be set up with student money and administered from within the University.

Other loan funds available for students are either distributed throughout the different departments and schools, or take a considerable time to arrange. The new plan would serve all students quickly. It would make available either long or short-term loans.

The second item, a plastic enclosed activity card with the student's picture, would last the four years of college. Joan Bachman, ASMSU business manager, advocated the postponement of any definite action on the activity card until a sounding of student opinion could be taken.

The proposed card would have the name, age, and picture of the student on it and would be non-transferable.

A request from Hubert P. Henderson, band director, for reallocation of funds was reviewed. Henderson asked that \$1,000, originally intended for travelling expenses for the band, be used instead to buy parade drums and protective cases. No decision was made.

Traditions board was granted \$20 to aid the financing of the Sibley award, and to paint Hello Walk. The Sibley award is presented each year to the student who does the most to help MSU traditions.

HONORARY INITIATES SEVEN

Seven men were initiated into Scabbard and Blade, national military honorary for advanced Army ROTC cadets, according to Art Jette, president, Missoula.

The new members are Byron Hunt, Don Nicholson, Melvyn Ryan, and William Blaker, all of Missoula; Ray Lee, Butte; Don Schessler, Laurel, and Clayton Gerstenberger, Kalispell.

Promotions Given In Pershing Rifles

New officers for the coming year in Pershing Rifles were installed at the regular Wednesday night meeting, according to Wesley George, Missoula, public information officer of the company.

Clayton Gerstenberger, Kalispell, was promoted to the rank of captain and took over as commanding officer. Tom Nelson, Great Falls, was promoted to 1st lieutenant and executive officer. Hugh deMers, Arlee, as the outgoing captain, was the installing officer.

Other promotions included George, to master sergeant and public information officer; Charles Bloom, Missoula, to first sergeant in charge of plans and training; and Fred Hollibaugh, Baker, to sergeant in charge of the finances.

Other promotions to sergeant included John Foster, Springfield, Ohio, and Harry Hoffman, Ft. Atkinson, Wis.

Promoted to corporal were Keith Moyer, Missoula; Hans Weber, Butte; Don Vagt, Great Falls; and Eugene Hunton, Absarokee.

Promoted to private first class were Albert Thibodeau, Missoula; Terry Daniels, Palmerton, Pa.; Edwin Foote, Middlebury, Vt.; and Fred Weldon, Missoula.

Bill Murphy, Missoula; Richard Anderson, Pelisades, Idaho; Gene Will, Sidney; James McNaught,

Theta Sigs Elect Mellott President

Barbara Mellott, Hamilton, was elected president of Theta Sigma Phi, women's journalism honorary, at the meeting last Thursday.

Other officers include Jean Herbert, Bowman, N.D., vice-president; Jo Ann LaDuke, Ronan, secretary; Sue Munn, Casper, Wyo., treasurer; and Carol McManaway, Ft. Missoula, keeper of the archives.

Formal pledging was held for Joan Hoff, Butte; Norma Beatty, Helena; Virginia McBride, Butte; Carol Lee, Hamilton; Mrs. Munn, and Miss McManaway.

Billings. Tom Haney, Butte; and Robert Periman, Drummond, were guests of the company at the meeting.

VENTURE STORIES NEEDED; COPY DEADLINE APRIL 15

Fiction, poetry, features, and essays are needed for the spring quarter edition of Venture, according to Ed Stenson, Spokane, editor.

The deadline for copy to be

turned in is April 15. Venture will be published for Interscholar May 13. The spring quarter will be increased to 40 pages according to Stenson.

There will be a meeting. Venture staff and other interested persons in conference room in the Lodge.
